SPECIAL THANKS TO KYLE CORD

&

Used Skates are located off site. If you see a pair you would like to try on please let an employee know or

Email Info@SkateInfo.net

Once contacted I will drop off the skates you wish to try on at the next Wednesday night session which I attend each week. They will be left on site for up to 1 week; swing into any open session after drop off and take a few laps (5-10) minutes. Please be cautious when testing skates. They are used and until you pay for them, they belong to someone else. If you decide you like them and they fit well please let a worker know and pay in cash.
